

CIRCUS RHAPSODY

-since 2009-

CIRCUS RHAPSODY Presstext

Circusshow with Candyfloss!

Here you have Circus Rhapsody a Folkpunk band that will show you how to dance.

Their repertoire includes originals from fifties Rock'n'Roll, Ska to melodicpunk. A frenetic stage performance and a lot of free candyfloss awaits you to give you the right energy.

2021 the third album "Just Kiddind" will be released. Together with the San Diego based label "Mannequin Vanity Records" the band is ready to tour the world again.

For the 2018 tour the band releases the 'Sexxy as fuck! Yummie as hell' 7" together with a bunch of friends over the London based label 'Umlaut Records'. The records includes guest appearances of: Ingo (Donots), CJ Ramone, Steven (Belvedere), Pat (Decline), Filou (Berlin Boom Orchestra) Shrimpfeld and many more.

Together with 'Elixir Gin' the band releases their very first own Schnäps just for this years tour.

The 2015 album 'Telling Horrorstories' was released over the Berlin based label 'Springstoff' for europe and over 'Living Dead Records' for Mexico

The debut 'Pacific Playland' was released in 2013 DIY manenr.
